

Every Breath You Take
The POLICE

Every breath you take, and every move you make
Every bond you break, every step you take
I'll be watching you

Every single day, and every word you say
Every game you play, every night you stay
I'll be watching you

Oh, can't you see, you belong to me
How my poor heart aches with every step you take

Every move you make, every vow you break
Every smile you fake, every claim you stake
I'll be watching you

Since you've been gone, I been lost without a trace
I dream at night, I can only see your face
I look around, but it's you I can't replace
I feel so cold, and I long for your embrace
I keep crying baby, baby, please

Oh, can't you see, you belong to me
How my poor heart aches with every step you take

Every move you make, and every vow you break
Every smile you fake, every claim you stake
I'll be watching you

Every move you make, every step you take
I'll be watching you

I'll be watching you

Every breath you take, and every move you make
Every bond you break, every step you take
I'll be watching you

Every single day, and every word you say
Every game you play, every night you stay
I'll be watching you

Every move you make, every vow you break
Every smile you fake, every claim you stake
I'll be watching you

Every single day, and every word you say

Every game you play, every night you stay
I'll be watching you

Every breath you take, and every move you make
Every bond you break, every step you take
I'll be watching you

Every single day, and every word you say
Every game you play, every night you stay
I'll be watching you

Every move you make, every vow you break
Every smile you fake, every claim you stake
I'll be watching you

Every single day, and every word you say
Every game you play, every night you stay
I'll be watching you
