

Living for The Love of You Isley Brothers

Yeah...well... well... well...yeah
yeah... yeah...
...ooo

Driftin' on a memory
ain't no place I'd rather be
than with you...yeah...loving you
well... well... well

Day will make the way from night
all we'll need is candlelights
and a song
yeah...soft and long
...well...
...ooo

Glad to be
here alone with the lover
unlike no other
sad to see a
new horizon slowly
coming to view
...yeah

I want to be living for the love of you
ah yes I am
all that I'm giving
is for the love of you
all right now

Lovely as a ray of sun
that touches me when the morning comes
feels good to me...yeah
my love and me...well

smooth a kinda gentle breeze
flowing thru my mind with ease
soft as can be...well
when your loving me
when your loving me
...ooo

Love to be
right in the waves
of your love
I'm enchanted with your touch
It seems to me
We can sail together
in and out of mystery
...well

I want to be living
for the love of you

all right now...
all that I'm giving
is for the love of you
...you got me girl

I want to be living
for the love of you
...all right now
all that I'm giving, giving
is for the love of you
...oh yes I am

Paradise I have within
can't feel insecure again
your the key...well
and this I see...oh I see

Now and then I lose my way
using words that try to say
what I feel...yeah
love is real
oh our love is real
...ooo

I might as well
sign my name on a card
which could say it better

Time will tell
cause it seems that I done just
about all that I can do

I know that I'm living for the love of you
ah yes I am
I know that I'm living
for the love of you

everyday I living for the love of you
I'm living for the love of
...each and everyday

I...oh yes I am

I want to say it one more time
said that I am living ..each and everyday

living for the love of you
living for the love of you

...Lord knows I am
write that down

living for the love of you
